Enjoy our wildlife

Prescott has a variety of Arizona wildlife that visitors may view around your rental. ***Never approach or disturb any wildlife for your safety and theirs.*** However, feel free to snap a few photos from a safe distance.

Good Neighbor Brochure

Your guide to an unforgettable stay!

Welcome to Prescott Arizona

We encourage you to get out and play on our scenic hiking and biking trails, lakes, golf courses and parks. Prescott is known for its four mild seasons and historic preservation districts. Explore our downtown shopping, art galleries, antique shops and enjoy our restaurants.

We hope you enjoy your stay and hope you come back soon.

Noise, Trash, Pets and Parking Considerations...

Noise

Prescott truly is a small town. Please be considerate to your neighbors around you by keeping the noise levels down during the hours of 10pm to 7am. Please know your neighbors have access to a 24/7 hotline to file a complaint.

Pets

Prescott welcomes pets! There are plenty of great places to take your pet in Prescott. While they stay in your vacation rental please be aware barking dogs disturb neighbors. Be mindful to keep your pet on a leash at all times in public places to comply with our leash laws. Lastly, remember to clean up after your pet.

Trash

During your stay, please keep the rental property free of visible trash. If you are unaware of which day trash is picked up in your area, please call 928-777-1116. Or visit <http://www.prescott-az.gov/services/trash/>

Parking

When parking vehicles at your vacation rental be sure to use the designated parking area related to your rental. Some areas do **NOT** allow on-street parking. Never park in front of someone else's driveway or your vehicle may be towed.

How many guests is too many guests?

Table for Determining Maximum Occupancy of Vacation Rentals

Number of Bedrooms in Vacation Rental Unit	Maximum Overnight Occupancy
0	2
1	4
2	6
3	8
4	10
5	12
6	14
7	16
