## **Transfer Station Pavement Improvements Phase 2**

August 2025

### **ROADWAY PROJECT**

The project generally consists of removal of aged asphalt pavement at the City of Prescott Transfer Station at 2800 Sundog Ranch Road and reconstructing with new base material and asphalt pavement structural section. The project limits are in that area west of the valley gutter that traverses the transfer station, and around the Sign Shop. The project also includes demolition and removal of the old fee booth and scales.

Dava and Associates is providing engineering services. The construction contract was awarded to Asphalt Paving & Supply, Inc. Construction started in April, 2025 and is now complete.
