### EasyVote Campaign Finance System

FOR IMMEDIATE RELEASE

PRESCOTT, AZ (December 1, 2025) – As part of ongoing efforts to make election and candidate processes simpler and more transparent, the City Clerk's Office is making it easier for candidates, political action committees, and the public to access campaign finance information. Starting in 2026, all campaign finance reports will be filed online using EasyVote Solutions. Candidates and committees will submit quarterly reports through the city's web-based platform. Residents will also be able to view and search all filed reports from a single, easy-to-use page. Instructions and details for using the new system are available on the City of Prescott's website.
