South Ranch Pavement Preservation Project

The City of Prescott and their contractor, Sunland Asphalt & Construction, are set to begin the South Ranch Pavement Preservation Project the week of September 7, 2026. The project includes pavement maintenance operations and select concrete curb improvements along sections of the following roadways:

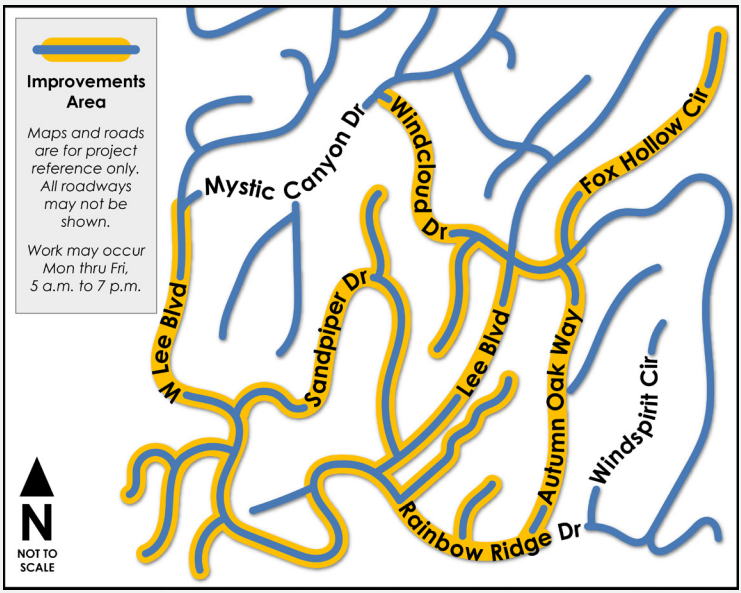

- W Lee Boulevard
- Lee Boulevard
- Sandpiper Drive
- Rockrimmon Circle
- Cloud Crossing Circle
- Moon Ridge Circle
- Golden Oak Circle
- Rainbow Ridge Drive
- Donnybrook Circle
- Heather Brook Circle
- Autumn Oak Way
- Windcloud Drive
- Larkhaven Circle
- Fox Hollow Circle

Concrete improvements will be completed prior to pavement maintenance occurring along each roadway. The City is dedicated to keeping residents informed of potential construction impacts throughout the project. Once complete, this project will extend pavement life and improve the road quality for Prescott motorists.

During this work, you can expect:

- Continuous residential access
- Temporary lane and driveway restrictions
- Reduced speeds
- Rough road conditions
- Loud noise
- Flagging operations

Trash and recycling pickup will not be interrupted. Please have residential bins curbside by 6 a.m. on your scheduled pickup date.

For questions and project information, call the
Project Hotline at (928) 237-3114

South Ranch Pavement Preservation Project

Scheduled to begin the week of September 7, 2026

A detailed door hanger notification will be hand delivered to those directly affected prior to paving commencing on each roadway. The notifications include information regarding the specific pavement treatment the roadway will receive, and the associated access, work hours and impacts.

To avoid conflicts with construction equipment and expedite completion of the project, the City asks that you avoid on-street parking while construction is underway. Access to residences will be maintained when possible, however, temporary restrictions will occur when asphalt paving and concrete installation operations are taking place.
